

Mobile

Employee communication used to be difficult, not anymore!

Employee Navigator delivers critical information to employees when and where they need it most. The “HR In Hand” app gives employees instant access to critical benefits and company information, including:

- Virtual ID cards
- Plan Summaries
- Plan Documents
- Provider Directories
- Pharmacy/Laboratory Location
- Rx information
- Employee Directories
- Company Forms & Resources
- And more

To get started

- 1 Search “Employee Navigator in the Apple or Google app store
- 2 Download our free mobile app
- 3 Enter the same username and password used to log into Employee Navigator
